WHAT’S THE RHYTHM IN YOUR MARRIAGE?

What stage are you in? How are you navigating it? Honeymoon? Settled? Babies? Work? No kids? College kids? Empty nest? Family illnesses? Whatever the stage, let’s connect with each other about:

- Loving Communication
- Exceptional Intimacy and Sex
- Positively Engaging Change

A weekend of rest, romance and reflection. Create and sustain exciting intimacy in every stage of marriage!

THE BRONX BETHANY MARRIEDS MINISTRY is excited to be hosting its 13th annual retreat. This year, the theme is The Rhythm of Marriage. For 3 days and 2 nights, we will celebrate our marriages and learn how to build them to last through all the stages and life experiences we encounter. We look forward to deeper connections, exciting conversations, recreational activities, games, food, rest, fun AND romantic interludes, all designed to help us connect in deeper ways with our spouse.

This year, our guest speaker is John Williford, LPC. John has been our speaker at two previous retreats, and many still comment on the insights they gained for their marriages. John has a Masters in Counseling Psychology, with an emphasis in Marriage and Family Therapy, and Childhood Psychopathology. He has an active counseling practice, is a full time professor at County College of Morris, NJ and delivers workshops that integrate his passion for theology and psychology all over the NE USA. John and his wife Maryanna are recognized as a strong team, serving as co-directors of The Willing Heart Community Care Center. They are also very active members of the Metropolitan Baptist Church where John is an Associate Minister.
